

## Donor Of Ground Is First To Be Buried In Plot In Cemetery

Mrs. Henrietta Yates, wife of G. W. Yates, who was buried in the Little Park cemetery, was the donor of the ground for the cemetery and was the first person to be buried in it.

Mrs. Yates and her husband, who survives her, lived in the Little Park district for 36 years, moving to this city a few months ago. When they moved to this city, Mrs. Yates donated the ground for the cemetery and for a church site. Services were held from the church, erected on her former property.
