

Death Overtakes Mary Middaugh

Death claimed Miss Mary Middaugh daughter of Mrs. A. A. Middaugh of 235 South First street at 4:30 yesterday afternoon. Death was caused, the physicians state, by an overdose of laudanum. Her death followed a gradual failing health which medical skill was unable to forestall. Miss Middaugh was around as usual early last week and had been confined to her bed but a short time.

The deceased was 23 years of age and was born in Colorado. She had made her home here for one year with her mother at the address given. She was devoted to her mother and was a young woman who had battled against a number of unfortunate circumstances which gradually led to her untimely death. The funeral will be held from the Yunker & Callahan parlors but the time has not been announced.
