

**Sudden Death.**

At noon news reached this city of the sudden death of Miss Carrie B. Skeels, the only child and daughter of Rev. H. M. Skeels, pastor of the Congregational church at Fruita.

The deceased was a beautiful and estimable young girl, admired and loved by all who knew her for her many virtues and sincere Christian character. The cause of her death was nervous prostration. The deceased was nineteen years old and just in the bloom of young womanhood. She came to this country with her parents from Grinnell, Iowa, several years ago and was beloved in a large circle of acquaintances. The news was brought to this city by George J. D. Williams, who will convey from Undertaker Bucklin's the coffin. The obsequies will take place at Fruita tomorrow afternoon at 2:30 o'clock, interment at the Ross school house.
