Wanted—Girl for general housework. Inquire this office.

Roswell W. Holmes of this city has been appointed notary public by Governor Orman.

Rev. Mr. Ward, field secretary of the Christian Endeavor Society, spoke before a small audience at the Presbyterian church last night.

Those who should know whereof they speak say there will be a 33 1/3 per cent dividend declared by assignee Dowrey of the Colorado State Bank on or about the first of April.

The Colorado and Utah retort company is a new concern with headquarters in this city. E. L. Underhill is the manager. Oil and gas tests are made on all kinds of rock, shale, etc.

Rev. Mr. Sanderson was called out to the Indian school, this afternoon, to officiate at the burial of a thirteen-year old Indian girl, who died yesterday, of kidney trouble. She was buried in the cemetery of the school.

Frank Kirlin, arrived in the city last night, from the east, where he has been buying a stock of gent's furnishing goods for the new store on Main street near Fourth. Mr. Kirlin will open his establishment March the 1st.

There is hardly any prospect of the sugar factory's working this season according to the latest reports received from Manager McFarland. The time now is too short to secure contracts and properly prepare the soil for planting.

The bad weather for the past day or two has hindered the progress on the derrick of the Western Slope Oil, Gas & Development company. They will probably not have same completed until Saturday, and the drilling will not be begun before Monday. Mr. Shaffer, one of the drillers says that the indications at the well are as good as those at Florence.

The Lowe brothers of Delta county are having a hearing this afternoon before Justice Sweney on the charge of
