

### THE HARLOW RANCH

Is located at the mouth of Rapid Creek, and owned by Mrs. J. P. Harlow, and is one of the oldest fruit orchards in the county. It consists of twenty-five or thirty acres, planted to peaches, pears, grapes and other fruits. This orchard has fruited every year and yielded abundantly, and is making for the owner, a handsome income. Mrs. Harlow is now erecting a large and comfortable stone house, and otherwise improving her land very materially.
